

## ŽIVOTOPIS - Jasminka Jakić-Razumović

Jasminka Jakić-Razumović je rođena 24.01.1956. godine u Rijeci. Medicinski fakultet je završila 1979. godine. Godine 1983. započela je specijalizaciju iz patološke anatomije u Zavodu za patologiju KBC Rebro. Specijalistički ispit položila je 12. veljače 1988. godine, te je u Zavodu za patologiju KBC Rebro nastavila raditi kao liječnik specijalist patološke anatomije. Školske godine 1982/83 upisala je i završila poslijediplomski studij iz Opće medicine na Medicinskom fakultetu Sveučilišta u Zagrebu. Poslijediplomski studij iz Onkologije upisala je i završila u školskoj 1984/85 godini, nakon čega je položila završni ispit. Godine 1988. obranila je magistarski rad pod naslovom: "*Morfološke promjene u proliferativnoj i neproliferativnoj fibrocističnoj bolesti dojke*" na Medicinskom fakultetu Sveučilišta u Zagrebu te stekla naslov magistar medicinskih znanosti iz područja onkologije. Godine 1992. obranila je na Medicinskom fakultetu Sveučilišta u Zagrebu doktorsku disertaciju pod naslovom: "*Prognostička vrijednost AgNOR tjelešaca u ne-Hodgkinskih limfoma*" i time stekla doktorat medicinskih znanosti iz područja medicine. Godine 1989. izabrana je u znanstveno-istraživačko zvanje znanstveni asistent na Medicinskom fakultetu Sveučilišta u Zagrebu te upisana u Republički registar znanstvenih djelatnika pod matičnim brojem 161745. Zbog stručnog usavršavanja u području transplantacijske i hematopatologije 1990. godine boravila je tri mjeseca, te dvije godine (1992-1994.) u odjelu za patologiju Fred Hutchinson Cancer Research Center u Seattle-u, Washington, USA. Od 1995.-2001. godine voditelj je odjela za Imunohistokemiju kliničkog Zavoda za patologiju KBC Rebro, od prosinca 1998.-2001. godine na mjestu je pročelnice Zavoda za patologiju KBC Rebro, od 2001. godine do danas Pročelnica odjela za Kiruršku patologiju Kliničkog zavoda za patologiju KBC Zagreb. Od školske godine 1989/90 do danas sudjeluje u dodiplomskoj nastavi za studente Medicinskog fakulteta za predmet patologija. Osim toga sudjeluje u poslijediplomskoj nastavi za predmet patologija. U školskoj godini 1990/91, te 1991/92 sudjelovala je u nastavi V stupnja za medicinske tehničare iz predmeta Odabrana poglavlja iz histologije i patohistologije. Od 1996. do 2000. godine sudjeluje u nastavi VI stupnja za medicinske tehničare na Visokoj školi za medicinske tehničare iz predmeta Patologija. Od 2000. godine do danas sudjeluje u nastavi VII stupnja za inženjere medicinske radiologije i studij sestrinstva na Visokoj Zdravstvenoj školi u Zagrebu (Zdravstveno veleučilište) za predmet Patologija.

Voditelj je znanstvenih poslijediplomskih tečajeva trajnog usavršavanja I kategorije na Medicinskom fakultetu u Zagrebu i znanstvenog poslijediplomskog studija *Imunopatologija transplantacije*. Znanstveno-nastavno zvanje naslovnog docenta za predmet patologija na Medicinskom fakultetu Sveučilišta u Zagrebu stekla je 30. siječnja 1996. godine. Znanstveno-nastavno zvanje naslovnog izvanrednog profesora stekla je 14. srpnja 2000. godine, a znanstveno zvanje naslovnog redovitog profesora 12. rujna 2006. godine. U zvanje znanstvenog savjetnika izabrana je 11. siječnja 2006. godine i u tom je zvanju do danas. Autor je brojnih znanstvenih i stručnih publikacija, sudjelovala je sa stručnim i znanstvenim radovima na brojnim stručnim skupovima.
